# WHY THE TEEN DRIVER CHALLENGE?

Traffic crashes occur every 12 seconds in the United States. Vehicle crashes are the number one cause of deaths among young adults. Teens are more likely to be killed in an automobile crash than any other way. The first step in reducing these statistics is to challenge the Teen Driver to become a more informed, safer and efficient driver. During the Teen Driver Challenge, drivers will be provided the knowledge and hands on experience to reduce their chances of being involved in a crash.
