Osceola County Concept Plan (CP)

Application Package & Instructions

Osceola County Board of County Commissioners
1 Courthouse Square, Site 1400, Kissimmee, FL 34741
Phone: (407) 742-0200 Fax: (407) 742-0205

This package is intended to provide you with the information necessary for you to complete an application for a Concept Plan or Concept Plan Amendment. The information requested is the minimum required under the Osceola County Comprehensive Plan and Land Development Code. You are encouraged to submit whatever additional information you feel necessary to adequately communicate to the reviewers what is being proposed.

Included in this package is a form which is intended to serve as the cover page(s) of your application and a specific Concept Plan Application. These forms are available from Community Development electronically. You are encouraged to take advantage of working directly on the electronic copies of our form(s).

A Concept Plan Checklist, which lists all of the information required to be included with your application in order for it to be deemed sufficient and processed is also provided for your use. Staff will determine if the information submitted is complete and in conformity with the checklist to determine if the application is sufficient. *Once the application is determined to be sufficient, the application will be routed for review.* The requirements for this information can be found in Chapters 3 and 4 of the Osceola County Land Development Code.

The Land Development Code may be viewed on our Website (www.osceola.org). You are encouraged to review the appropriate portions of the Code before proceeding with your application. You are also encouraged to use the outline of this checklist as your table of contents for your application. In that way, you will know that your packet contains all of the information required by the Code.

Once the application is deemed sufficient, an assigned Project Coordinator will work with you throughout the review process and will provide you information about any meetings that will affect your application.

Each Concept Plan Application will require a Development Review Committee Meeting, and the subject property must have a Zoning Designation of Mixed Use (MXD). If an applicant is not present, the request may be continued or denied. Our objective in this process is to make the County's expectations as clear as possible so that you are able to secure all the necessary approvals required in a timely manner.
