Re: Osceola County Local Hazard Mitigation Plan Approved Pending Adoption

Dear Director Litton,

This is to confirm that we have completed a State review of the Osceola County Local Mitigation Strategy (LMS) update for compliance with the federal hazard mitigation planning standards contained in 44 CFR 201.6(b)-(d). Based on our review and comments, Osceola County developed and submitted all the necessary plan revisions and our staff has reviewed and approved these revisions. We have determined that the Osceola County LMS plan is compliant with federal standards, subject to formal community adoption, for the jurisdictions below:

Osceola County, Unincorporated
City of Kissimmee
City of Saint Cloud
School District of Osceola County

Toho Water Authority
Kissimmee Utility Authority
Orlando Utilities Commission
Good Samaritan Society

Upon submittal of a copy of all participating jurisdictions' documentation of their adoption resolutions to our office, we will send all necessary documentation to the Federal Emergency Management Agency (FEMA) who will issue formal approval of the Osceola County LMS.

If you have any questions regarding this matter, please contact your LMS Liaison Kristin Buckingham at Kristin.Buckingham@em.myflorida.com or 850-815-4519.

Respectfully,

Miles E. Anderson,
Bureau Chief, Mitigation
State Hazard Mitigation Officer

MEA/kb
