Who is the current service provider?

Describe current problems/concerns that you are hoping to resolve. Please be as specific as possible.

I have reviewed the information contained in the application packet. I understand that community support is essential to the establishment of an MSTU/MSBU. I understand and accept that the application fee and all other prepayment requirements are deemed non-refundable. I understand that the establishment of an MSTU/MSBU is a discretionary decision of the Osceola County Board of County Commissioners as subject to State and local guidelines.
