

The FEMA GO system will replace the legacy Mitigation eGrants system to apply for BRIC and FMA grants for FY20. The Mitigation eGrants system will continue to be used to manage PDM and FMA grants awarded in FY19 and earlier. BRIC replaces the existing Pre-Disaster Mitigation (PDM) program and will support states, local communities, tribes, and territories as they undertake hazard mitigation projects reducing the risks they face from disasters and natural hazards.

HOW TO REGISTER SUBORGANIZATION

Register Suborganization with **SAM.gov**. It is required to start and submit a subapplication – It's FREE!

- The FEMA Grants Outcomes (FEMA GO) system automatically imports certain information from an organization's active SAM record, including the organization's legal name, mailing and physical address, EIN, DUNS and DUNS +4 numbers, and the Electronic Business Point of Contact (eBIZ POC).

HOW TO CREATE AN ACCOUNT

Step 1: Go to <https://go.fema.gov>
