**AFFIDAVIT OF POWER DISCONNECT  
TO A MOBILE HOME**

As a condition of the issuance of Permit # \_\_\_\_\_, I swear or affirm that the power to the mobile home or service has been disconnected. I understand that if the building inspector arrives for a final inspection and the power is connected to the mobile home, the inspection will not be done, and a reinspection fee charged. The power will need to be disconnected, and a new inspection will need to be called in.
