**Subject: Public Information Meeting
Boggy Creek Road Improvements**
From Simpson Road to Narcoossee Road
Osceola County
Project No.: PS-20-11479-DG

Dear Government Partner:

Tawny Olore, PE
Executive Director

Osceola County invites you to a public information meeting regarding the Boggy Creek Road Improvements Project on Thursday, March 4, 2021. The purpose of the project is to address capacity and safety needs along Boggy Creek Road from Simpson Road (C.R. 530) to Narcoossee Road.

Joshua DeVries, AICP
Transportation Planning

Osceola County is examining future traffic needs and evaluating alternatives to achieve the project goals. The public meeting is being held to present the potential alternatives to the community and receive input. Following the meeting, the alternatives will be refined, and County staff will recommend a preferred alternative to the Osceola County Board of County Commissioners for review and approval, based on public input and findings from the alternatives study. The approved preferred alternative will be advanced to the design phase.

The County is offering three ways to participate in the meeting. All participants will receive the same information regardless of which option they choose.

- **In-Person Open House:** The community is invited to attend an open house at the Osceola Heritage Park Events Center, St. Cloud Rooms A and B, 1901 Chief Osceola Trail, Kissimmee, FL 34744. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members, and provide comments. The County requests advance registration for this option by contacting the project manager using the contact information below to ensure all attendees are accommodated safely and according to social distancing guidelines. Attendees will be required to wear masks and follow all safety guidelines. Those who are not feeling well may not attend the in-person meeting.
