**Subject: Public Information Meeting
Poinciana Boulevard Road Widening**
From Pleasant Hill Road to Trafalgar Boulevard
Osceola County
Project No.: PS-20-11503-DG

Tawny Olore, PE
Executive Director

Dear Elected Official:

Osceola County invites you to a public information meeting regarding the Poinciana Boulevard Widening Project on Tuesday, September 14, 2021. The purpose of the project is to address capacity and safety needs along Poinciana Boulevard from Pleasant Hill Road to Trafalgar Boulevard.

Joshua DeVries, AICP
Transportation Planning

Osceola County is designing the preferred alternative that was selected earlier this year, which will provide two travel lanes in each direction separated by a grassed median. Traffic signal modifications, drainage improvements, and construction of a 10-foot-wide sidewalk to accommodate pedestrians and bicyclists are included. The design also includes 7-foot-wide buffered bike lanes in each direction. The public meeting is an opportunity for the community to learn about the design, ask questions and provide input. The project is currently in the design phase. Construction is expected to begin in summer 2023.

Steven Kane, PE
Transportation Engineer

The County is offering three ways to participate in the meeting. All participants will receive the same information regardless of which option they choose.

- **In-Person Option:** Interested persons may attend an open house at the Association of Poinciana Villages: Poinciana Community Center, 445 Marigold Avenue, Poinciana, FL 34759. Attendees will have an opportunity to come anytime between 6 p.m. and 7:30 p.m. to view a looping presentation and project displays, speak with project team members and provide comments. In light of the current Coronavirus (COVID-19) pandemic, steps are required to protect the health of the public while still ensuring continuity of County business. Virtual access to the public meeting is also being provided.

Virtual Meeting (Online) Option: Interested persons may participate in a Virtual Public Meeting (VPM) from a computer, tablet or mobile device. The VPM will begin at 6 p.m. and will include the same presentation offered at the in-person location. Attendees in the virtual meeting will have an opportunity to download project displays and provide comments or ask questions. Advance registration is required for this option by going to: <https://bit.ly/2VeVy7g>. Please note that GoToWebinar does not support Internet Explorer. You will need to use Google Chrome ([click here](#) to download for free) or Microsoft Edge ([click here](#) to download for free) to register and participate in the virtual meeting.
