

# PARTIN SETTLEMENT ROAD

from Neptune Road (County Road 525) to Lakeshore Boulevard

The purpose of this project is to widen and reconstruct the existing two-lane rural roadway to a four-lane roadway with accommodations for pedestrians and bicycles. The project includes enhancing drainage systems and stormwater ponds; modifying traffic signals at Neptune Road, Cross Prairie Parkway, U.S. 192, Remington Boulevard, and Lakeshore Boulevard; upgrading Intelligent Transportation System (ITS); improving street lighting and landscaping; relocating utilities; and extending the existing bridge culvert over Fish Lake Canal. Florida's Turnpike Enterprise will widen the bridge over the Florida Turnpike as part of this project.

During construction, residential and business driveways will remain open. Pedestrian access to sidewalks

during construction will be maintained using signed detours, traffic control devices, and/or temporary walkways, when appropriate. Noise, dust, and vibrations can be expected during construction. The construction schedule may change due to weather or other unexpected conditions.

Lane closures are allowed between 7 p.m. and 6 a.m. Electronic message boards and other signage will be used to direct traffic. Motorists are asked to exercise caution and reduce their speed while driving through the work zone.
