Project Scope:

This project will include multimodal transportation improvements on the Buenaventura Boulevard from Simpson Road to Osceola Parkway. The planned improvements are envisioned to redesign Buenaventura Boulevard as a complete street. These improvements will include a 12 foot wide shared use path, access management, transit connectivity, and filling in sidewalk gaps to provide pedestrian access throughout the roadway.

Description:

This project is located in northern Osceola County, in the community of Buenaventura Lakes (BVL). The total project length is approximately 2.38 miles and the project involves construction of a trail, 5 foot wide sidewalks, drainage improvements and modification of the bus stops to be ADA compliant.
