

## EARLY START

(Request to be submitted after Plan Review comments have been received)

FBC 105.12 Work starting before permit issuance upon approval of the Building Official, the scope of work delineated in the building permit application and plan may be started prior to the final approval and issuance of the permit, provided any work completed is entirely at risk of the permit applicant and the work does not proceed past the first inspection.

Project Number: \_\_\_\_\_ Date: \_\_\_\_\_

Job Site Address: \_\_\_\_\_

Subdivision: \_\_\_\_\_

Building/Suite Number: \_\_\_\_\_

Contractor Name: \_\_\_\_\_

Construction work is hereby authorized for early start at the project referenced above. Scope of work is limited to site work up to but not including the first inspection. This authorization does not relieve you of any responsibility required by law. Work shall not be concealed, and inspections will not be made until construction permits are issued.

All work performed under this authorization is at your own risk. Osceola County shall not be held liable for any damages as a result of this work.

**DO NOT PROCEED WITH WORK THAT IS NOT APPROVED!**

**Place in a conspicuous & away from the elements.**
