

Mission:
To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Rick Scott
Governor

Celeste Philip, MD, MPH
State Surgeon General

Vision: To be the Healthiest State in the Nation

APPLICATIONS FOR SEPTIC PERMITS ARE REQUIRED TO PROVIDE THE FOLLOWING DOCUMENTATION.

WE CANNOT PROCESS YOUR APPLICATION WITHOUT THE INFORMATION LISTED BELOW SUBMITTED CORRECTLY WITH YOUR APPLICATION. IF ANY INFORMATION IS FOUND TO BE ERRONEOUS IT MAY RESULT IN THE PERMIT BEING VOIDED, WHICH WILL REQUIRE A NEW APPLICATION BEING SUBMITTED.

1. Application completely filled out;
2. A site plan **DRAWN** to **SCALE**; (MUST BE SIGNED BY OWNER & AGENT)
MUST include the following:
 - a. Property dimensions;
 - b. Location of ALL proposed and existing residences and/or buildings;
 - c. Swimming pools;
 - d. Recorded easements (if you are not sure there are any, you will need to call recording to verify);
 - e. Proposed septic tank and drainfield location (must be drawn to scale, show distance from septic to property line, include 4' shoulders and slopes);
 - f. The slope of property if applicable;
 - g. ALL neighboring lot's septic systems and wells (must show location and distance to your property); if property is unimproved state no septic no well on that particular property;
 - h. Surface water (ditches, ponds, streams, swamps, etc);
 - i. Filled areas;
 - j. Obstructed areas
 - k. Driveway and walkway from drive to house;
 - l. Location of your well (Drinking or Irrigation); must show route of water line into house;
 - m. If serviced by community water, show route of water line from meter to house;
 - n. Any public wells within 200'
3. Floor plan to **SCALE** with rooms **LABELED** and **SIGNED**
4. Application forms must be signed by registered contractor or property owner only.

NOTE: SEPTIC SYSTEMS MUST MAINTAIN A 75' SETBACK FROM ALL POTABLE WELLS AND 50' FROM ALL NON-POTABLE.
