Re: Appointment to the Osceola Local Mitigation Strategy Working Group

Dear Mr. Litton,

The School District of Osceola County would like to appoint Mr. Randy Shuttera, Assistant Superintendent of School Operations, and Ms. Rhonda Blake, Director of Planning Services, to serve as the primary representatives to the Osceola Local Mitigation Strategy Working Group. I wholeheartedly entrust these individuals to serve the Working Group.

The representatives understand that as members of the LMS Working Group, they will be responsible for working with others in developing and revising the LMS Plan, coordinating mitigation actions within the County, setting the priority level for local mitigation projects, and contributing to the annual update process.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Debra P. Pace, Ed. D.  
Superintendent  
The School District of Osceola County
