# Natural Hazard Risk Assessment Technical Assistance and Funding Connections for Southeastern Water Utilities Webinar

January 28, 2026 • 9:30 AM - 12:00 PM ET

[Register Here!](#)

US EPA's [Strengthening Water Infrastructure for Tomorrow \(SWIFT\)](#) initiative and US EPA Region 4 are hosting a free webinar on natural hazard resilience and funding opportunities, including the recent [Disaster Supplemental Appropriation for Water Emergencies](#), for water and wastewater utilities in the Southeast. SWIFT provides direct technical assistance to utilities that are considering projects to enhance resilience using available funding programs.

Gain insight into federal funding programs from EPA and from utilities that have successfully applied.

Learn how to access EPA water technical assistance programs, natural hazard data sources, and resilience building solutions for utilities.

This webinar is FREE
