YOU ARE INVITED TO A PUBLIC MEETING!

Osceola County is holding an in-person public meeting on **Tuesday, March 25, 2025, from 5:30 p.m. to 7:30 p.m.**, and a virtual meeting on **Thursday, March 27, 2025, from 5:30 p.m. to 6:30 p.m.** regarding the Michigan Avenue safety improvements project. This project will enhance safety and operations for all modes of transportation along Michigan Avenue. Osceola County is proposing improvements along Michigan Avenue, at several intersections along the corridor, to include:

- Install a new mid-block crosswalk with a pedestrian activated Pedestrian Hybrid Beacon (PHB) at Boulder Drive.
- Install a new pedestrian activated PHB, as well as improve existing pavement markings, at the existing mid-block crosswalk at Garden Street.
- Remove the free flow right turn lane at E. Carroll Street.
- Add a crosswalk and pedestrian signals on the north leg of the intersection at E. Donegan Avenue.
- Extend the existing concrete separator on the north leg of the intersection at U.S. 192 to increase safety by preventing through and left turn movements from Lehigh Street, and the shopping plaza in the northeast quadrant.
- Separate shared curb ramps into individual curb ramps at the signalized intersections at U.S. 192, Mill Slough Road, E. Donegan Avenue and E. Carroll Street.
- Relocate pedestrian detectors, and add sidewalk, to make pedestrian detectors ADA compliant at all locations.
- Mill and resurface in areas where the roadway, pedestrian ramps, and pavement markings are being modified.

A project location map, depicting the study limits, is shown to the right.
